

IMPORTANT INFORMATION: This form is used to ensure that we provide every client with the highest level of care. For most people exercise is fun, positive, and an energising pastime which improves health and leads to an enhanced quality of life. However, there are a small number of people who may be at risk when participating in an exercise program. Such risks include falls, sprains, fracture, or damage to components of the heart/lung system. We would therefore ask that you read, and complete, this form carefully.
