

Notification Form for an Exempt Food Business

Shire of Donnybrook Balingup Food Act 2008 (Section 107 & 109)

Which of the following categories best describe your proposed business activities?

- The food business is a charity or community group not involving the handling of Potentially Hazardous Food (PHF: food requiring temperature control to prevent the growth of pathogenic microorganisms or the formation of toxins).
- The food business is a charity or community group whereby food is for immediate consumption after being appropriately cooked (e.g. sausage sizzle).

Note: Food businesses not meeting one of the above categories are required to be registered under the *Food Act 2008*, and must submit a Food Business Registration Form.
